IN THE MATTER OF:

ELIZABETH ASHLEY BAYERS, CLP-GEN
(Certificate No. 203289-GEN)
Respondent

No. 12-I-577

ORDER FOR REINSTATEMENT OF UNRESTRICTED LICENSE

This matter is before the Louisiana State Board of Medical Examiners (the "Board") on the application of Elizabeth Ashley Bayers, CLP-GEN ("Ms. Bayers") for the unrestricted reinstatement of her clinical laboratory Scientist-General license. Previously, by Consent Order entered in 2012, the clinical laboratory's license to practice clinical laboratory in Louisiana was placed on probation for three (3) years subject to her strict compliance with specified terms and conditions.¹

In connection with her request, during its meeting on August 17, 2015, the Board reviewed and discuss her status and compliance with the Order previously entered in this matter. Based on its review, the Board concluded that Ms. Bayers had satisfied the terms of its prior Order and that the public interest would be properly served and protected by the unrestricted reinstatement of her license to practice clinical laboratory in this state. Accordingly, in consideration of the foregoing and pursuant to the authority vested in the Board by La. Rev. Stat. §37:1326 (B) and the Consent Order previously entered herein:

IT IS ORDERED that the license of Elizabeth Ashley Bayers, CLP-GEN to engage in the practice of clinical laboratory in the state of Louisiana, as evidenced by *Certificate No. 203289* is hereby, effective as of the date hereof, ***REINSTATED WITHOUT RESTRICTION***.

IT IS FURTHER ORDERED that this Order shall be, and shall be deemed to be, a public record.

Signed and effective on this 10th day of September, 2015.
