In the Matter of:

No. 13-I-649

CALVIN EDWARD WILLIAMS, JR., M.D. (Certificate No. MD.019972),

ORDER FOR REINSTATEMENT OF UNRESTRICTED LICENSE

This matter is before the Louisiana State Board of Medical Examiners (the "Board") on the application of Calvin Edward Williams, Jr., M.D. ("Dr. Williams") for the unrestricted reinstatement of his medical license. Heretofore, by Consent Order entered in 2013 the physician's license to practice medicine in Louisiana was placed on probation for three (3) years, subject to his strict compliance with and satisfaction of specified terms, conditions and restrictions that included, among other items, a limitation on his surgical practice for so long as he holds a license or permit to practice medicine in this state. I

The Board reviewed the physician's request and the entire history of this matter during its meeting on December 5, 2016. Based on its review and all information received and considered, the Board concluded that Dr. Williams had satisfied the terms of its Order previously entered and that the public interest would be properly served and protected by the unrestricted reinstatement of his license to practice medicine, save his continued compliance with paragraph (1) of such Order relative to the limitation on his surgical practice. Accordingly, in consideration of the foregoing and pursuant to the authority vested in the Board by La. Rev. Stat. §37:1285(D) and the Consent Order previously entered herein:

IT IS ORDERED that the license of Calvin Edward Williams, Jr., M.D., to engage in the practice of medicine in the state of Louisiana, as evidenced by *Certificate No. MD.019972* is hereby, effective as of the date hereof, reinstated without restriction; provided, however, that such reinstatement of licensure and Dr. Williams' continuing exercise of the rights and privileges thereunder shall be conditioned upon his continued compliance with paragraph (1) of the September 16, 2013, Consent Order relative to the limitation on his surgical practice.
