**CONSENT ORDER**

Anshuman Jyoti, M.D. ("Dr. Jyoti") is, and at all times present hereto has been, a physician licensed to practice medicine in the State of Louisiana, pursuant to the Louisiana Medical Practice Act ("the Act"), La. R.S. 37:1261 *et seq.*, as evidenced by credential No. MD.204139. Dr. Jyoti principally practices as a psychiatrist in and around Shreveport, Louisiana.

Dr. Jyoti had no prior history of disciplinary action before the Louisiana State Board of Medical Examiners (the "Board"). The Board opened the above-captioned investigation when Dr. Jyoti's was arrested for solicitation, a violation of La. R.S. 14:83, while under a confidential monitoring contract with the Healthcare Professionals' Foundation of Louisiana ("HPFL"), Physicians' Health Program ("PHP").<sup>1</sup> In the course of the investigation, Dr. Jyoti submitted to a fitness for duty evaluation at a board-approved facility. The evaluation facility recommended that Dr. Jyoti participate in a monitoring agreement with the HPFL PHP and obtain additional testing and medical evaluation. Dr. Jyoti thereafter completed the recommended evaluations and provided reports to the Board and to the evaluation facility. The evaluation facility concluded that Dr. Jyoti did not appear to be medically impaired, and that with additional support and treatment he could return to work. Dr. Jyoti began outpatient treatment but experienced a relapse involving alcohol shortly after his treatment began.

Dr. Jyoti began relapse treatment at a Board-approved facility in April of 2021 and thereafter completed the facility's recommendation for six months of sober living.<sup>2</sup> In a letter provided to the HPFL in December 2021, Dr. Jyoti's treating physician stated his belief that Dr. Jyoti was now "qualified to practice his profession with skill and safety" pending approval of

<sup>1</sup> At the time of his arrest in 2019, Dr. Jyoti already was under a voluntary five-year agreement with the HPFL, executed on November 26, 2018, and this contract has remained in place throughout the investigation. Dr. Jyoti participated in a pretrial diversion program and the criminal charges against him were dismissed.

HPFL and the Board and that Dr. Jyoti “appears to be in stable sobriety with a good prognosis for continued sobriety.”

Predicated upon the information outlined above, the Investigating Officer assigned by the Board with respect to this matter, determined that reasonable cause exists to pursue administrative proceedings against Dr. Jyoti for violation of the Louisiana Medical Practice Act, La. R.S. 37:1285(A)(13) and (25).<sup>3</sup>

As evidenced by his subscription hereto, Dr. Jyoti acknowledges that the foregoing information would constitute probable cause for the institution of administrative proceedings against his medical licensure, pursuant to Administrative Complaint, and that proof of such information upon administrative evidentiary hearing may establish grounds under the Act for the suspension or revocation of his license to practice medicine in the state of Louisiana or other such action as the Board might deem appropriate.

Recognizing his right to written notification of any charges that may be asserted against him as a result of this investigation, as well as the right to administrative adjudication of such charges, at which time he would be entitled to be represented by legal counsel, to call witnesses and to present evidence in defense or in mitigation of the charges made and to a decision thereon by the Board based upon written findings of fact and conclusions of law, pursuant to La. R.S. 49:951 *et seq.*, Dr. Jyoti, nonetheless, hereby waives his rights to notice, formal adjudication and written decision and, pursuant to La. R.S. 49:955(D), consents to entry of the Order set forth hereinafter. Furthermore, Dr. Jyoti acknowledges that he hereby waives any right to which he may be entitled pursuant to the Louisiana Administrative Procedure Act, La. R.S. 49:951 *et seq.*, or to which he otherwise may be afforded by any law to contest his agreement to or the force and effect of the Board’s investigation or this document in any court or other forum relating to the matters referred to herein. Dr. Jyoti also hereby authorizes the Investigating Officer designated by the Board with respect hereto to present this Consent Order to the Board for its consideration and to fully disclose and to discuss with the Board the nature and result of the investigation and waives any objection to such disclosures under La. R.S. 49:960. The disclosure of information to the Board by the Investigating Officer shall be without prejudice to the Investigating Officer’s authority to pursue formal administrative charges against him or to the Board’s capacity to adjudicate such charges should the Board decline to approve this Consent Order.

Based upon the information provided, and upon the recommendation of the Investigating Officer, the Board hereby concludes that, consistent with its mandate under La. R.S. 37:1261, the interests of public health, safety, and welfare will be effectively served by entry of the Order set forth hereinafter, by consent. Accordingly, in consideration of the foregoing and pursuant to the authority vested in the Board by La. R.S. 37:1285 and La. R.S. 49:955(D);
