As evidenced by his subscription hereto, Dr. Lyman acknowledges the substantial accuracy of the foregoing information and that proof of such information upon administrative evidentiary hearing could establish sufficient cause to take action with respect to his license to practice medicine pursuant to La. a subsequent final decision rendered upon written findings of fact and conclusions of law, Dr. Lyman, nonetheless, hereby waives his right to formal charges and formal adjudication and pursuant to La. R.S. 49:975(D), consents to entry of the Order set forth hereinafter. By his subscription hereto Dr. Lyman acknowledges that he hereby waives any right to which he may be entitled pursuant to the Louisiana Administrative Practice Act, La. R.S. 49:950 *et. seq.* or otherwise may be afforded to him by law to contest his agreement to or the force and effect of the Board's preliminary review or this document in any court. Dr. Lyman, furthermore, hereby authorizes the Investigating Officer designated by the Board with respect hereto to present this Consent Order to the Board for its consideration and to fully disclose to and discuss with the Board the nature and results of the preliminary review and his self-report and he waives any objection to such disclosures under La. R.S. 49:977.2. Dr. Lyman expressly acknowledges that the disclosure of the information to the Board by the Investigating Officer shall be without prejudice to the Investigating Officer's authority to file a formal Administrative Complaint against him or to the Board's capacity to adjudicate such Complaint should the Board decline to approve this Consent Order.

Based upon the information provided, and upon the recommendation of the Investigating Officer, the Board hereby concludes that, consistent with its mandate under La. R.S. 37:1261, the interests of public health, safety, and welfare will be effectively served by entry of the Interim Order set forth hereinafter by consent. Accordingly, in consideration of the foregoing and pursuant to the authority vested in the Board by La. R.S. 37:1285 and La. R.S. 49:975(D);

At the recommendation of his treating provider or the Board's designee, any Order reinstating Dr. Lyman's license may include, but not be limited to, a probationary period or monitoring through the Louisiana HPFL.

IT IS FURTHER ORDERED that this Interim Consent Order shall be effective as of the date it is approved and accepted by the Board as shown by the signature of the Board's representative below.
